

# Cambridge Isanti Area Softball Association

July 6, 2020

*Hello Everyone!*

*We hope everything is going well! As the days go by, I reminisce about the 25<sup>th</sup> Annual Cambridge Softball Classic, that was played on the weekend of June 26-28, in Cambridge. I don't know that in my 44 years around the game, over 170 tournaments managed, have I ever seen a more "jovial atmosphere" than Friday June 26, around 7:00. I have seen great atmospheres at Corky's, Fireman's, and others, but this was different. The Softball world came together, for the friendship of our team mates and opponents, for the game we love!*

*Our organization, did what we could to roll out the red carpet for the teams and their players. On Sunday morning, the 28<sup>th</sup>, I personally had tallied 9 hours of sleep! That wasn't for Saturday Night, that was very honestly since Monday of the previous week. If you have not sat in that chair, please be lenient when criticizing, as it is not like a 16 team double elimination bracket, which some of us can do in their head. We want teams to have games. We try to create a great atmosphere! I can only be humble and apologize to those teams that had a less than perfect schedule. It was simply overwhelming, especially with a coupe of forfeits, potentially moving games around. We feel that for the 2021 Cambridge Softball Classic, scheduled for June 11-13, we will have access to our Field #5, which will angle toward the farm. That alone, will help the structure. I received a text from Johny Olson, our photographer who at times has taken up to 4,000 pictures. Johny, "WagonWheels", is a disabled person who does a great job! He wasn't feeling up to coming out with the hot weather. Other than those items, we found 4 separate winners. Fairline over Silverbacks (C) in the Mens Tier 1, Gas/Gunner over Renegades Softball Club in Tier 2, Ductech over MW Wreckers in the Women's Tier 1, and Stay Kold over MM/TGK in Tier 2. **Keep the dates of August 21-23 open, for the 2020 Women's State/Tournament of Champions/North American Championships. This will be a nicely structured Men's and Women's tournament, that will be fairly classified, with a possibility of increased payouts, "travel expenses", along with all the other amenities of a tournament you will want to be at! Unless a team gets a no charge berth, or ½ paid berth, thru the Minnesota Sports Federation State Tournaments, any team that registered for the Cambridge Classic, will receive a \$25.00 cash bonus for the TOC, upon arrival in Cambridge***

*The following page is the Tournament Recap, from June 26-28*

*Thank You for playing, and hope to see you soon!*

# 2020 Cambridge Softball Classic Recap

## WOMENS TIER 1

- 1 DUCTECH
- 2 MW WRECKERS
- 3 XTREME

## WOMENS TIER 2
